Based in London, Chambers and Partners ranks leading U.S. firms and attorneys based on in-depth research and interviews with attorneys' clients and peers. Chambers USA 2019 ranks more than 6,000 law firms and 18,000 lawyers across more than 50 practice areas/sectors on a state and national level. Chambers assesses attorneys on attributes most valued by clients, including technical legal ability, professional

conduct, client service, commercial astuteness, diligence, and commitment. Most attorneys are ranked in bands of 1-6, with all band rankings considered to be a significant achievement. Some attorneys earn specialized Chambers designations including "Recognised Practitioner," which indicates an attorney who handles notable matters and/or has received some recommendation, and "Star" individual, which is awarded to lawyers with exceptional recommendations in their fields. The Chambers USA guide is widely read by industry-leading companies and organizations nationwide. For more information, visit <https://www.chambersandpartners.com>.
