

Day Pitney Ranks Among Top 20 Law Firms for Gender Diversity in *The American Lawyer*

Day Pitney LLP announced that the firm has been ranked among the top 20 Am Law 200 firms for gender diversity, specifically, the percentage of female equity partners, in *The American Lawyer's* annual A-List ranking.

The newest metric included in the A-List ranking is a score based on the percentage of female lawyers in a firm's equity partnership ranks. Equity partnership, or law firm ownership, is considered to be among the most important indicators of a law firm's enduring diversity achievements.

This year, Day Pitney was also ranked among the top 50 law firms in the National Law Journal (NLJ) 500: Women's Scorecard. Only the largest 350 firms in the nation are eligible for a Women's Scorecard ranking, and the "score" is determined by adding the percentage of the firm's female attorneys with its percentage of female partners.
