

2019 Case Law Mash-Up: Can You Assign Exaggerated Representations and Warranties to a Locked-In Vendor?

Several court cases in 2019 dealt with (or are still dealing with) key issues faced by parties to commercial contracts, including contracts for technology products and services, writes Eric Begun **in a post** for King & Fisher Law Group.

The post briefly discusses four of those cases and their corresponding issues of contract assignment, representations and warranties, and data security.

Begun's discussion of the four cases provides take-away lessons for each.
