Shareholder Liseanne Kelly Rejoins Littler in San Diego

Liseanne R. Kelly has rejoined Littler as a shareholder in its San Diego office. Kelly previously served as Director of Employment Law Compliance for Alliance Data, a leading global provider of data-driven marketing and loyalty solutions.

In a release, the firm said Kelly counsels in-house legal and human resources teams on matters that arise out of the employer-employee relationship. Her practice includes an emphasis on multi-state incentive compensation plan design and advising national employers on multi-state paid time off policies, leave administration and disability accommodation, and wage and hour issues. Kelly regularly works with clients to draft incentive compensation plans, draft and implement employment policies, and provide counsel on performance management issues.

At Alliance Data, Kelly provided guidance on compliance with employment laws across the country, particularly in California and on multi-jurisdictional issues, the firm said. She also counseled on matters related to incentive and bonus plans, recruiting and hiring, discrimination, harassment, retaliation, leaves of absence, paid leave, wage and hour matters, and disability accommodation.

Kelly received her J.D. from the University of California Davis School of Law and her B.S. from the University of Nevada, Las Vegas.
