

Webinar: Contractors and the New Era of Cyber Compliance

Washington Technology will present a complimentary webinar on Jan. 25, 2018, to discuss new compliance requirements for securing government data contractor networks. The webinar will begin at 2 p.m. Eastern time.

Speakers for the **one-hour event** will be Ron Ross of NIST; Maria Proestou, CEO of Delta Resources; and Susan Cassidy, partner, Covington & Burling.

Government and industry experts will:

- Offer advice and guidance on what contractors should be doing to ensure compliance.
- Provide insights on best practices in areas such as training, risk management and planning for in the future.
- Help to prepare attendees for meeting this requirement and maintaining compliance for their government customers.

Register for the webinar.
