

What Every In-House Attorney Needs to Know About Federal Contracting

Centre Law & Consulting will present a **one-day instruction** that combines the basics of federal government contracting with the nuts and bolts of compliance issues, subcontractor issues, and hot topics in the industry.

The event will be Oct. 17, 2017, in Tysons, Va.

Topics will include:

- Basic Principles in Federal Contracting
- How the Government Buys
- Types of Contracts
- Labor and Employment Law Issues
- Anti-Kick Back and Gifts
- Organizational Conflict of Interest & Personal Conflict of Interest
- Mandatory Disclosure and Ethics Issues
- Changes, Inspection & Acceptance
- Delays & Payment
- Termination of Convenience / Termination of Default
- Claims, Disputes, and Appeals
- Prime/Subcontractor Disputes
- Bid Protests
- Privilege Issues and Attorney Work Product
- Ethic Issues in Internal Investigators and Managing Relator Lawsuits

Register for the event.
