A recent podcast from Columbia Energy Exchange features host Bill Loveless speaking with Tommy Beaudreau, a non-resident Fellow at the Center on Global Energy Policy and partner in the Environment, Land & Resources Department of Latham & Watkins in Washington, D.C.

The podcast series is presented by Columbia University's Center on Global Energy Policy.

In **the podcast**, the two discuss details of the latest executive order on offshore oil and gas drilling; what political and legal challenges the order will face; how the U.S. government have improved drilling and safety standards since the Deepwater Horizon oil spill; and next steps in the offshore review process.
