Webinar: HIPAA Compliance and Cybersecurity in Business

Compliancy Group will present a **webinar** on HIPAA compliance and cybersecurity on Wednesday, Oct. 23, 2019, at 2 p.m. Eastern time.

Enacted in 1996, the Health Insurance Portability and Accountability Act (HIPAA), established industry standards that every healthcare organization is required to adhere to. Throughout the years, HIPAA regulation has been modified, as such it is essential to keep up-to-date with the latest regulatory changes. Since its inception, HIPAA law has become part of an organization's culture, affecting how to do business and how a practice is run. Learn the ins and outs of HIPAA compliance and cybersecurity.

Webinar presenters will discuss how HIPAA compliance and cybersecurity go hand-in-hand and will simplify HIPAA compliance. They will walk viewers through the full extent of the regulation, including the revisions and amendments that have been added over the years.

Register for the webinar.
