Download: Contract Management Software Selection Guide

ContractWorks has published “**The Contract Management Software Selection Guide**” and made it available for downloading at no charge.

“As corporate counsel, it’s important that you understand the capabilities – and limitations – of contract management software,” the company says on its website. “This guide will help you determine if you need a solution and, if so, which option makes the most sense.”

The new guide discusses:

- If it’s time to upgrade your contract management system
- Which features you actually need to manage your contracts
- What to take into consideration before making a decision
- How to select contract management software
- How to choose the best solution for your company
