Joint Ventures in the Oil and Gas Industry: Upstream Joint Ventures

Latham & Watkins has posted the second of a two-part webcast series on joint ventures in the oil and gas industry – this one on upstream joint ventures.

Both this video and the **first part** – on midstream joint ventures – are available on-demand.

This series explores market trends driving recent joint ventures, as well as structural options, potential challenges, and other considerations related to joint ventures, within both the midstream and upstream spaces.

Part II of the series addresses joint ventures in the upstream space, including "DrillCo" transactions.

Topics include:

- DrillCos and Other JV Structures
- Typical Transaction Documents
- Issues and Pitfalls

Watch the on-demand video.
