A Physician’s Guide to Employment Contracts with Hospitals and Health Systems

When considering employment by a hospital or health system, physicians should be mindful of various provisions that are often contained in physician employment agreements and how these provisions may impact the physician’s professional practice and personal life, advises **McBrayer PLLC**.

Christopher J. Shaughnessy discusses some important issues to consider when evaluating whether to enter into an employment agreement with a hospital or health system.

The article covers issues such as compensation, call coverage requirements, professional liability insurance coverage and “tail coverage,” and non-compete clauses.
