

# Energy Outlook: Platts U.S. Election Webinar

S&P Global Platts has posted a free **on-demand webinar** taking a look at the potential impact the recent presidential election could have on petroleum, natural gas, power and metals.

The webinar covers:

- Impact on oil and gas markets
  - Arctic and Atlantic Coast production
  - The future of fracking
  - Pipeline projects – will they get built?
  - Supply/demand implications
- Impact on metals markets
  - US infrastructure impact on steel
  - What to do about “steel dumping”?
  - Economic uncertainty and gold
- Impact on renewables and environmental regulations
  - Is the War on coal over?
  - Buildout of renewable power generation
  - The future of biofuels
