

Tips for Drafting Arbitration Clauses in Smart Contracts

While arbitration may be a preferable alternative to court for smart contract disputes, it doesn't happen on its own – it typically requires a properly drafted arbitration clause, points out **Jared Butcher** in Steptoe & Johnson's **Blockchain Blog**.

Butcher discusses some aspects of the arbitration clause that should be re-considered when dealing with smart contracts.

The article covers the topics of arbitrator appointment, governing law and the arbitral body, forum selection, and summary dispositions.
