

# General Counsel Name 354 Attorneys Best at Client Service

BTI Consulting has released its *BTI Client Service All-Stars*, attorneys are truly delivering superior client service, according to the general counsel and decision makers for legal services.

“14 years of research illustrates how hard it is and how strong a performance is needed to join the ranks of the *BTI Client Service All-Stars*,” BTI says on its website.

No attorney can self-nominate, refer a client to be interviewed, pay or otherwise find a way into the report. BTI says its went straight to the source – the general counsel and decision makers for legal services – to find out exactly which attorneys are truly delivering superior client service.
