Webcast: CFPB Trends in Enforcement and Investigations

Gibson, Dunn & Crutcher has posted an **on-demand webinar** discussing the rise of the U.S. Consumer Financial Protection Bureau (CFPB) enforcement efforts, the expansion in the scope of industries targeted and the level of penalties imposed, and the targeting of financial products that the CFPB has deemed cybersecurity risks.

On its website, the firm says the webinar covers challenges the CFPB raises for compliance professionals and in-house litigation counsel.

Panelists experienced in bank regulatory, white collar defense and investigations, securities litigation and investigations, and cybersecurity discuss these and other developments at the CFPB as well as approaches for navigating this uncertain regulatory and legal landscape.
