Greensfelder, Hemker & Gale, P.C., is pleased to announce that Donald D. McBride, an Officer in the firm's St. Louis office, has been named by Missouri Lawyers Media as one of its 2020 Up & Coming attorneys. The annual awards recognize early-career lawyers who demonstrate professional excellence while making a positive impact on their profession and communities.

This year's Up & Coming honorees are all 40 years old or younger or are within their first 10 years of practice. Recipients have demonstrated professional accomplishment, skill and leadership beyond their years, as well as extraordinary commitment to their communities through volunteer service and leadership. Co-leader of Greensfelder's Financial Services industry group and a member of the firm's Litigation practice group, McBride focuses his practice primarily on representing broker-dealers, clearing firms, registered investment advisors, and individual investment professionals. He has extensive experience in litigation matters and also counsels clients on aspects of their business operations, including privacy, registration, record retention, reporting requirements, and anti-money laundering issues. He also represents members of the securities industry in connection with investigations by the SEC, FINRA, and state regulators.
