

Greensfelder Recognized by BTI Consulting Group as 'Midsize Heavyweight' Firm

Greensfelder, Hemker & Gale, P.C., is pleased to announce that it has been recognized by BTI Consulting Group as among the top "midsize heavyweight" law firms that "bring the same level of confidence and reliability as the big firms."

Announced May 6, BTI's exclusive list of firms that "punch above their weight" was developed through independent research and interviews with hundreds of companies across 17 industries in the United States. No law firm can self-submit, refer a client, or pay to be included on BTI's list. Greensfelder was one of 37 firms listed as midsize "powerhouses" or "heavyweights."

BTI President Michael Rynowecer wrote that Greensfelder and the other top firms are "uber-responsive, dig deep, hard, and fast to find the answers (and are) quick to embrace new approaches ... (and) make sure clients always know who is accountable for their work and the relationship."
