Harness the Power of Video for Your Law Firm

LexisNexis Martindale-Hubbell offers a complimentary on-demand webinar exploring best practices for creating and sharing your own law firm video.

The company says on its website that the webinar explains how the best use of video demonstrates your credibility and personality, helps attract new clients and grows your business, and delivers return on investment within a flexible budget.

Other topics will be

- The Value of Video for Your Law Firm
- Why Video Speaks Volumes In Attracting Clients
- How to Create a Law Firm Video
- Which Videos Make the Most Impact with Consumers
- Video Social Sharing

Watch the on-demand webinar.
