

Hot Topics in Antitrust Compliance and Enforcement

✘ Baker & McKenzie presents a free on-demand webinar on how companies can address antitrust issues and enforcement in their compliance programs.

The webinar includes discussion on cascading cartel investigations, information exchange, dawn raid protocols, and document management. This webinar is an installment in the firm's Antitrust and Competition Strategies Series.

Presenters for the webinar are Edward W. Batchelor, a partner in the Baker & McKenzie Brussels office; Katherine Funk, a partner in the firm's Washington, D.C., office; Dr. Akira Inoue, a partner in the Tokyo office; and María Carolina Pardo Cuéllar, a partner in the Bogota office.

Watch the on-demand webinar.
