

How Agile Women General Counsel Navigate the Winds of Change

Please join a NYC Bar webinar on June 1st from 6:30 to 8:30PM EST to hear Jennifer Brown moderate a panel with Diane Brayton, General Counsel of The New York Times, Kimberly Chainey, General Counsel of Panasonic Avionics, Jung-Kyu McCann, General Counsel of Druva and Beth Levine, SVP & Chief Compliance Officer of Regeneron Pharmaceuticals.

Description:

From trade wars to #fakenews to global pandemics to cybersecurity breaches—economic, political and social changes have upended business as usual. A general counsel's ability to navigate and manage in these turbulent times is critical to the viability of her organization. This panel discussion with leading women GCs and Chief Compliance Officers will explore the GC and CCO roles in managing risk while adapting to the pace of change. We will hear how successful women lawyers at the forefront of their organizations navigate the winds of change.

Registration in advance is required.
