How Medicare Affects Employer Health Coverage

Benefit Express will present a free webinar reviewing the topic of Medicare and how it can affect Employers Health Coverage offerings.

The webinar will be Tuesday, April 7, at 1 p.m. Central time.

The topics will include employer secondary rules, COBRA, notice requirements and reporting requirement.

Benefit Express Services, LLC was established in 2001. It’s a benefits administration solutions firm that provides HR professionals with the tools and services necessary to simplify the benefits administration process.
