How to Sell Solar to Your Local Bank

Solar Power World offers a free one-hour on-demand webinar on financing small commercial and residential projects through smaller, less institutional funding organizations.

Panelists for the event were drawn from some of the most innovative funding organizations in the country, the provider says.

The include:

-Scott Pellegrini, AVP of Consumer Lending, Provident Credit Union
-Scott Wiater, President, Standard Solar
-Jeff Cowherd, Senior Vice President, First Green Bank
-Scott Hawkins, Chief Financial Officer, Technology Credit Corporation
-Mike McGuire, Co-Founder, Wiser Capital
