

I-9 Compliance ICE is stepping up Its Compliance Audits Are You prepared

In this webinar, the speaker will explain best practices for Electronic Recordkeeping of I-9 Forms, as well as the importance of understanding the requirements for completing I-9 Forms.

Overview:

The costs of not complying are high. Compliance is actually easy if you know what to do. Unfortunately, many organizations do not take the time to learn how to properly complete an I-9 form. The forms are also changed every few years.

The presenter has conducted hundreds of I-9 audits.

The number of companies that were totally in compliance in 18 years of conducting I-9 Audits is a big fat ZERO.
