IACCM’s Contract Management Learning and Certification Programs Explained

The International Association for Contract & Commercial Management will present a free webinar on its global training and certification program.

The webinar will be Wednesday, Oct. 15, beginning at 10 a.m. Eastern time.

On its website, IACCM says the webinar is specifically designed to enable contracting and contract management professionals to raise their skills and knowledge in contracting, as well as attain an increasingly sought after certification.

The demo will include a skills assessment, E-learning modules, quizzes, messages boards and certification.
