

Illinois Facebook Users to Receive Class Action Lawsuit Settlement Payments of Up to \$400

“Facebook users in Illinois who applied to collect a settlement stemming from a class action lawsuit could see their payment any day now. According to the settlement administrator, paper checks and electronic payments began going out on May 9. The lawsuit was filed over Facebook’s collection and storing of,” reports ABC 7 News in their blog.

“The Biometric data of Illinois users without proper consent. As part of the \$650 million settlement, claimants will receive payments of between \$200-\$400. Those covered by the settlement include Facebook users located in Illinois for whom Facebook created and stored a face template after June 7, 2011. Claimants must have been a resident.”
