Intellectual Property in M&A Transactions

Practical Law presents an on-demand discussion with Fried, Frank, Harris, Shriver & Jacobson LLP about IP and information technology considerations in the context of negotiating and drafting complex corporate transactions for in-house lawyers and their counsel.

Presenters of this webinar address conducting IP due diligence, special considerations for carve-outs and spin-offs, potential effects of various transaction structures on IP assets and agreements, and more.

Speakers from Fried, Frank, Harris, Shriver & Jacobson LLP are Daniel Glazer, Henry Lebowitz and Jason Greenberg. The moderator is Patricia Harley, Head Editor, Practical Law Intellectual Property & Technology.

Free registration is required.
