

Is it Time to Outsource Your Human Resources?

CPEhr presents a complimentary on-demand webinar on human resources outsourcing, one of fastest growing sectors of the outsourcing industry.

From Obamacare and Workers' Compensation, to harassment, discrimination and fair-pay regulations, the volume of employment-related laws has skyrocketed in the past 20 years, the firm says on its website. Small employers with little or no spare resources to focus on these matters are understandably overwhelmed.

This 60 minute webinar discusses the challenges facing employers in today's economy, and how outsourcing various human resource functions can significantly help alleviate those challenges.
