Physician’s Guide to Employment Contracts

Kane Russell Coleman & Logan has posted an article by **Karin Zaner** on its blog, The Doctor’s Advocate, discussing 10 tips for physician employment contracts.

The article discusses the importance of reading and understanding the agreement before signing, leverage in terms of employment negotiation, non-compete obligations, non-solicitation and non-ownership obligations, HIPAA, privacy and trade secret confidentiality, income guarantees, logistics, finding a good match, recognizing red flags, and resisting the urge to resign.
