Key Tax Developments Affecting the Oil and Gas Industry

KPMG has made available a free on-demand webinar on the latest tax developments affecting companies in the oil and gas industry including legislative update, transfer pricing – state considerations, oil and gas current developments and year-end planning issues.

Speakers for the Webcast include:

John Gimigliano, Principal in Charge, Federal Legislative and Regulatory Services practice, KPMG LLP (U.S.)

Doug Maziur, Principal, SALT Income Franchise, KPMG LLP (U.S.)

Bob Swiech, Director, Washington National Tax, KPMG LLP (U.S.)

Mike Terracina, National Tax Leader, Oil and Gas practice, KPMG LLP (U.S.)

Watch the on-demand webinar.
