

Lawyer Who Called Decision 'La La Land on Steroids' is Suspended for His Wide-Ranging Criticism

A New York appeals court has suspended a Suffolk County lawyer for three months for “inexcusable” criticism about courts hearing two of his cases, reports the *ABA Journal*.

The court rejected a referee’s recommendation for a public censure and suspended lawyer Gino Giorgini for three months.

An example of his comments to a judge include:

“THIS IS LA LA LAND ON STEROIDS. ... I CAN NOT COMPREHEND THE #%%#\$^% THAT IS THIS DECISION. ... This is so bizzaro land that it is hard to type. What is even more pathetic is the case I cited (citation omitted) has been ignored.”
