

Leading New Firm and Lawyer Rankings in Chambers USA 2021

“This year’s Chambers USA 2021 features over 8,000 firm and almost 22,000 individual rankings in more than 2,000 practice areas, across all 50 states and nationally. Leading the charge, having amassed the most firm and individual rankings in the Guide for the second year in a row, is industry titan Latham & Watkins. With 351 ranked attorneys and 131 ranked practices, Latham continues to showcase its credentials as one of the United States’, and indeed the world’s, most successful and well-rounded full service firms,” reports Kushraj Cheema in *Chambers and Partners*.

“Latham’s position comes as little surprise, with its 11 US offices consistently attracting praise from clients and fellow practitioners alike in Chambers USA research. An elite pedigree, full service capabilities and extensive geographic coverage are common features of top performing firms in the Chambers USA 2021 Guide, as the chart above shows. Firms which accrue the most rankings in the latest edition of the USA Guide are united in the breadth of their expertise, their bicoastal office networks and their sizeable contingent of partners.”
