Lowering Workers Comp Costs – Best Practices

- Advisen has posted a free on-demand webinar that discusses methods to employ to lower workers compensation costs.

In the webinar, Arthur J. Gallagher's Bob Walker, Amaxx's Becki Shafer and Michael Stack, and Advisen's David Bradford review how organizations hone their pre-injury and post-injury procedures in order to significantly reduce their workers comp expenses.

They discuss such topics as setting realistic goals for reducing comp costs, when to get involved with a claim, developing a return-to-work program, employee communication, obtaining senior management commitment, training programs, and an in-house SIU Director vs. an insurance company's SIU director.

Listen to the webinar audio or view the presentation slides.
