

Managing Contracts Remotely with CLM Software

Please join us on Wednesday, April 22nd at 12:00 PM Eastern Time (45 Minutes)

We'd like to invite you to our next webinar: ***Managing Contracts Remotely with CLM Software.***

In this session, we'll discuss and demonstrate some of the advantages of using contract management software to overcome the challenges of managing contracts when everyone is working from home.

Some key topics that we'll cover include how to:

- Make your contracts securely accessible from anywhere at any time.
- Quickly search for any and all information in your agreements.
- Request, create, process, and execute contracts remotely.
- Automate alerts for key dates and obligations.
- Get real-time reports on your contracts' stage, status, and performance.
