

Martin Walker Co-Founders Recognized as 2020 Texas Super Lawyers

TYLER, Texas – Trial lawyers and Martin Walker PC co-founders John F. (Jack) Walker III and Reid Martin have been selected to the list of 2020 Texas Super Lawyers.

Each attorney has been selected for his personal injury and medical malpractice work. Both Martin and Walker are Board Certified in Personal Injury Trial Law by the Texas Board of Legal Specialization.

With the number of lawyers in Texas still accepting medical malpractice cases getting smaller each year, Martin Walker PC offers its clients hope where they otherwise might not find it. In 2020, the firm was inducted into the Texas Verdicts Hall of Fame for a \$43.32 million medical malpractice verdict, which was the largest in Texas in 2018 and the largest overall in the past five years.

Each year, Thomson Reuters releases its list of Texas Super Lawyers, recognizing less than 5 percent of attorneys in the state. Those who are selected have been nominated by their peers and colleagues, then vetted with independent research by Thomson Reuters' editorial team before being reviewed by a blue-ribbon panel. The final list of honorees is published in the November issue of Texas Monthly and the Texas edition of Texas Super Lawyers magazines.
