Melanie Okon Named Among Who's Who in Energy for 2014

Noted Dallas business litigator Melanie Okon has been named one of the top North Texas energy attorneys in the *Dallas Business Journal*'s 2014 listing of Who's Who in Energy.

Ms. Okon, a name partner in Dallas-based Estes Okon Thorne & Carr PLLC, will be featured among the 17 key lawyers who represent companies in the energy industry in the Who's Who in Energy section, which will be published in the Nov. 28 edition of the *Dallas Business Journal*.

"This recognition for Melanie reinforces what we've known for years," says firm founding partner Dawn Estes. "Her work for energy companies in disputes involving pipeline construction, nuisance complaints, contract litigation and other matters has been consistently exceptional, and we're proud to work with her. It is a significant accomplishment to earn a place on this list in one of the country's top states for energy production."
