

Michael Avenatti Is Now Being Held in Same Chilly Cell That Housed El Chapo

Time reports that Michael Avenatti is “being imprisoned in the same chilly cell that once held drug kingpin El Chapo, his lawyer said.”

“Avenatti was put in the most secure section of the federal facility under special administrative measures designed to cut off his communications with the outside world, Srebnick said. The special housing unit has held dozens of terrorism defendants over the past quarter century.”

“His cell, reportedly once occupied by Joaquín “El Chapo” Guzmán, has an officer posted outside it around the clock and two cameras focused on him.”
