

Michigan State Fires Former State Supreme Court Justice as GC

Michigan State University has removed former Michigan Supreme Court Justice Bob Young as its general counsel, **reports** the *Lansing State Journal*.

Young's last day was Friday, eight months after he started in the job.

Young's salary at MSU was \$425,000 per year. He had a contract that ran through May 31, 2021, making its total value \$1.275 million.

"A university spokeswoman said Young will receive a full payout of that contract," writes the *State Journal's* **Matt Mencarini**. "That would mean the university will pay about \$1 million on the remaining balance."
