

Mike Mullen joins Chamberlain Hrdlicka's Houston Office as Associate in the Intellectual Property Practice

Mike Mullen recently joined the Houston office of the national law firm, Chamberlain Hrdlicka, as an associate in the Intellectual Property practice, where he will focus on chemical patent prosecution.

Mullen brings both legal and technical experience to the firm, including his chemical engineering background. Mullen had a summer externship at the United States Patent and Trademark Office in Denver, as well as a summer internship and full-time associate position with Nielsen IP Law LLC in Houston.

Mullen graduated from the University of Colorado Boulder with a bachelor of science degree in chemical engineering. He participated in the Chemical Engineering Honor Society and the Golden Buffalo Marching Band.

Mullen obtained his law degree at the University of Houston Law Center, where he was heavily involved in intellectual property and other extracurricular activities, such as leadership roles within the Intellectual Property Student Organization and Houston Journal of International Law and participation in the Giles S. Rich Moot Court Competition and the Tom Newhouse Mediation Competition. He is currently an active member of the American Intellectual Property Law Association.
