Strengthening the Board's Oversight of M&A

The National Association of Corporate Directors has made available a free **executive summary** of "Director Essentials: Strengthening the Oversight of M&A."

"With more than 40,000 mergers and acquisitions transacting annually, boards need to stay up to date on trends," the company says on its website.

"Director Essentials: Strengthening the Oversight of M&A" is designed to help general counsel:

- provide guidance on director responsibilities;
- develop parameters for M&A review; and
- prepare directors to ask management the right questions.

The full publication is available exclusively to NACD members, but anyone may download a complimentary copy of the executive summary.
