Webinar: How to Comply with New FLSA Requirements

NAVEX Global will webcast a **free webinar** outlining updates to FLSA requirements, presented by Scott M. Nelson, a national labor and employment law authority from Baker & McKenzie, on Thursday, Sept. 22. The hour-long webinar will begin at 10 a.m. PDT (1 p.m. EDT).

New Fair Labor Standards Act (FLSA) regulations will go into effect on Dec. 2, updating the salary and compensation levels for exempt employees, impacting millions of salaried workers.

Wage and hour cases represent the most significant exposure to employers under workplace laws, NAVEX Global says on its website. This webinar will explain responsibilities and options for complying with the FLSA's overtime provisions.
