

NEW REPORT: 2021 Risk & Compliance Incident Management Benchmark Report

Benchmark Your Whistleblower Hotline Reporting & Investigation Program

According to the US DOJ's "Evaluation of Corporate Compliance Programs", an efficient and trusted mechanism where employees can anonymously or confidentially report allegations of misconduct is **the hallmark of a well-designed compliance program.**

Getting a broader perspective on how your performance matches up to market and industry norms is a critical first (and frequent) step to developing a best practice program. How are you measuring your organization's efforts?

Download the new 2021 report now and get a deeper understanding of how your hotline and incident management program performs compared to industry benchmarks!
