Ninth Annual Law Department Operations Survey

The Ninth Annual Blickstein Group **Law Department Operations Survey**, in cooperation with Consilio, is being conducted online now, with a deadline of Tuesday, August 9.

The survey is the oldest research specifically covering law department operations. It is designed solely for the professionals who manage complex legal department operations for their companies, Blickstein Group says on its website.

The LDO survey was first created in 2008 to give law departments a consistent platform to benchmark themselves and shed light on the then-emerging profession of law department operations.

Sponsors of this year's survey include QuisLex, Exterro and Onit.

Survey participants will receive copies of the proprietary.

Topics include:

- Compensation
- Metrics and Reporting
- Outside Counsel Management
- Technology and Cybersecurity
- Change Management
