

Oregon Man Files Suit Against Fantasy Sports Sites

A class-action suit has been filed in federal court in Portland against two daily fantasy sports sites, FanDuel and DraftKings, alleging both businesses are operating illegal online sports betting, **reports** *The Oregonian*.

“Brandon Peck, a resident of Polk County, brought the suit on behalf of himself and more than 100 other Oregon players who lost money in the past three years while placing wagers online through the two sites, Draftkings.com and FanDuel.com,” according to the report.

The plaintiff is asking the court to halt the companies’ operations and have each business pay players back double the amount they’ve “wrongfully lost,” seeking more than \$5 million.
