Dallas’ Bailey Brauer Named Among Nation’s Most Feared Law Firms

BTI Consulting Group’s **2017 ranking** of U.S. law firms that corporate lawyers never want to face in court includes Dallas’ Bailey Brauer PLLC based on the firm’s successful work in high-stakes litigation across the nation.

In a news release, the firm, founded in 2013 by former big firm lawyers Clayton Bailey and Alex Brauer, said it has successfully represented major corporations, family-owned businesses and high-net-worth individuals in a variety of business disputes by relying on years of expertise trying and appealing cases and negotiating favorable settlements.

“It’s a point of pride to be on this impressive list,” says Bailey, who is widely recognized for his work in state and federal trials and appeals. “General counsel call on Bailey Brauer because we provide the experience and quality they expect while keeping a close eye on the bottom line.”
