Why Are They Calling These Women Big?

Dallas litigation boutique Estes Thorne & Carr PLLC has been recognized among the 100 largest women-owned businesses in North Texas by the *Dallas Business Journal*.

One of only two law firms to be included in the **2016 Top 100**, this is the first time Estes Thorne & Carr has earned recognition, debuting at No. 58. When founded in 2008, the firm was among only a handful of women-owned law firms in Dallas and has since grown to be one of the largest and most respected in Texas.

“Some clients may come to us because we are a women-owned firm, but we’ve built lasting relationships based on the quality of our work and our dedication to seeing the client succeed,” said managing partner **Jessica Thorne**. “We are exceptionally proud of the accomplishments of this firm and that we have built a reputation as one of the leading litigation firms in North Texas on the basis of the work we do.”
