Download: 2017 Strategic E-Discovery Insights and Best Practices

Zapproved has published the proceedings catalog from the 2016 PREX, the premier conference for in-house e-discovery professionals. The catalog is available for **free downloading**.

The volume includes reflections shared by participants and faculty about the ongoing challenge of sustainably managing and preserving data to meet e-discovery demands.

It includes a recap of the fireside chat with Hon. Shira Scheindlin led by attorney and professor Maura Grossman; roadmaps for creating the perfect preservation notice and plan; strategies for improving e-discovery process and compliance; and predictions about the future of legal software and its impact on e-discovery. The content also covers the panel review where six judges summed up 10 cases and their key "takeaways" from each one in an hour.
