Webinar: New Contract-Tools Microsoft Add-In

Paper Software has announced the release of **Contract Tools**, a powerful new Microsoft Word add-in designed to aid in working with contracts.

To introduce the new product the company will have **a free webinar** July 26 at 11 a.m. Central time.

The company says the product helps with:

- Comprehensive proofreading
- Streamlined search
- Automatic to-do lists
- Intuitive navigation
- Autocompletion
- And much more

Register for the webinar.
