

HR & Compliance Web Summit

An all-day webinar presented by Paycor – and now offered on-demand – features a series of one-hour sessions focused on the topics that are most relevant to today's business leaders, from the Affordable Care Act to employee engagement and retention. The series consists of six separate webcasts that can be viewed individually.

On its website, Paycor says HR industry experts and thought leaders shared their guidance and recommendations with more than 4,000 attendees.

Jennifer Bellin, vice president of marketing for Paycor, said, "We were thrilled that so many people were able to attend our HR & Compliance Web Summit this year. But, we knew that even more companies could benefit from the insights and practical advice delivered by our panel of experts. We are pleased to offer all of the sessions on our website so that others can gain a deeper understanding of the complicated HR and compliance issues affecting their organizations today."
