

Protecting Your Prime and Subcontract or Strategic Relationship

Piliero Mazza has posted the slides from a recent webinar on strategic relationships in contracting with prime and subcontractors.

Presenters were Pam Mazza and Paul Mengel.

The webinar covered negotiating a definitive work share clause, in teaming agreements, in subcontracts, clauses requiring escrow accounts to ensure prompt payments, terminations, period of performance clauses, representations and warranties, any breach of a representation or warranty constitutes a breach of contract, and the use of flow down provisions.
