

10th Annual Law Department Operations Survey

The **10th Annual Blickstein Group Law Department Operations Survey**, in cooperation with Consilio, is the oldest research specifically covering law department operations. It is designed solely for the professionals who manage complex legal department operations for their companies.

The LDO survey was first created in 2008 to give law departments a consistent platform to benchmark themselves and shed light on the then-emerging profession of law department operations. In addition to being the original of its kind, as the industry has grown exponentially the LDO survey remains the most respected benchmarking tool in the space.

Participants are being sought for the survey. Only survey participants will receive a copy of the proprietary results.

The report will cover such topics as:

- Compensation
- Legal Service Delivery Models
- Artificial Intelligence
- Technology and Cybersecurity
- Change Management
